

# COTTON INNER GLOVE S10

Part Number: 0023-10

## Features

- Designed specifically to be worn inside electrical insulating gloves
- Sized for superior fit - pack of 12
- Woven cuff
- Premium cotton material

## Product Description

Cotton Inner Gloves - For use with all Rubber Gloves - Size 10

- Available in packs of 12 pairs only
- For use with all rubber gloves

NOTE: It is our recommendation that leather outer gloves be worn as mechanical protection for insulating gloves. It is not required by the safety regulations that these gloves be worn. They will however prolong the life and increase the safety of your Insulating Gloves. Cotton gloves absorb sweat and stop rubber deterioration.

In support of our policy of continuous product improvement we reserve the right to change materials and specifications without notice. Drawings, where used, are not to scale. All dimensions are in millimetres and sizes given are approximate. Where possible, technical MSDS data sheets are made available on the website. All products should be installed and used in accordance with manufacturer's instructions provided. Warning: products may be the subject of registered designs and patents. Refer to website for terms and conditions on warranty.
