(actual product may vary based on configuration selections)

Sonos Electronic Sounder, Red base 110/230V AC, 32 tones, 102dB, IP65

- Faster and more reliable connections with the TimeSaver base.
- The sounder head 'twists and clicks' into the base on commissioning, avoiding the wiring and connection problems associated with traditional sounders.
- Weatherproof protection to IP65 and can be used in various indoor and outdoor applications
